ADOPT A HORSE

Adopting a horse is a great way to support the mission of Shining Hope Farms. Our horses do important work. They work hard as the main tools used during our equine assisted activities and therapies. They also require a ton of care. Caring for our horses is one of our biggest and most challenging expenses to cover as it is not covered by insurance reimbursements from our therapy services. All of our clients have specialized needs, which is why we have a wide variety of horses across our three locations that are unique in what they can provide to our clients.

WHAT DOES AN ADOPTION COVER?

Adopting a horse for \$2,580 a year or \$215 a month covers associated horse care costs like:

- Medications/supplements
- Bedding
- Veterinarian
- Farrier
- Dentist
- Therapies
- Manure removal
- Horse supplies
- Horse transportation
- Horse care staff
(feeding, exercising, general care)
- Horse training
